DISCLAIMER:

This certificate is:

- not an acknowledgement of an entitlement to the registered water use;
- issued without alterations or erasures and is invalid if it contains alterations not in conformity with the Department's official copy; and
- in substitution of any National Register of Water Use Certificate the Department may have previously issued and the information is valid as at the date of issue. However, in the case of any water use having been identified as a licensed water use, this certificate is not to be regarded as a replacement of the applicable licence certificate. The license conditions that are applicable to the water use are not currently incorporated in this National Register of Water Use certificate.
